

University of Virginia Health Continuing Education presents

2nd Annual

ADVANCED PRACTICE CONFERENCE

Expanding excellence in advanced practice across the continuum

Dates: October 9-10, 2025

Time: 7:30 AM – 4:45 PM

Location: University of Virginia Newcomb Hall,
180 McCormick Road, Charlottesville, VA

2025 Advanced Practice Conference: Advancing PrOfessional Growth, Education, and Excellence (APOGEE)

Overview

The 2025 APOGEE* conference is your Central Virginia destination for expanding clinical knowledge, learning about novel, evidence-based treatments and therapies, and networking with colleagues. The advanced practice clinician already navigates many challenges faced by their patients and families. This conference will feature lectures, case studies, and interactive sessions on complex medical and nursing management of acute and chronic illness through the care continuum and across the lifespan, expanding excellence in clinical care and sophistication of medical decision making. High-level, evidence-based review of the risks, benefits, and potential side effects of advanced pharmacological therapies encountered across the continuum will be included. Professional practice and development sessions will include mastering the art of crucial conversations, navigating through everyday chaos at work, understanding legal and ethical essentials for APP practice, advocacy for APP professional development, advantages of APP fellowship programs, developing value-based business care models, and professional role optimization. The impact of health disparities and its intersection with community health in the delivery of coordinated, comprehensive interdisciplinary care will be a distinct thread in multiple sessions.

**the farthest or highest point: culmination*

Target Audience

Advanced practice providers/clinicians across the continuum of care, spanning inpatient, outpatient, and community healthcare settings.

Desired Outcomes

At the conclusion of this activity, learners will be able to:

- Implement current evidence-based team-care approaches for a variety of conditions spanning the continuum of care and throughout the lifespan.
- Apply advanced pharmacological therapies across the continuum of care based on current, high-level evidence-based review of indications, risks, benefits, and potential side effects for selected therapies.
- Deliver complex care across the continuum of care and settings of care as a full collaborative partner within the multidisciplinary care team.
- Utilize tools provided at this conference to increase their leadership abilities, expand their role, or incorporate fiscal responsibility as an advanced practice provider.
- Utilize community partnerships to address health disparities, while emphasizing coordinated, comprehensive, interdisciplinary care across the continuum.

Credit Offered

- 12.0 AAPA Category 1 CME Credits
- 12.0 Contact Hours
- 12.0 Hours of Participation
- 12.0 IPCE Credits

An electronic syllabus will be provided to all who register for the conference. See the conference website for additional information and resources: www.nursing.virginia.edu/sonce/advanced-practice-conference-2025/

Accreditation & Designation Statements

In support of improving patient care, UVA Health Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12.0 Interprofessional Continuing Education (IPCE) credits for learning and change.

UVA Health Continuing Education awards 12.0 contact hours to a nurse who participates in this educational activity and completes the post activity evaluation.

UVA Health Continuing Education has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12.0 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

UVA Health Continuing Education, as an accredited provider, awards 12.0 hours of participation (consistent with the designated number of ANCC contact hours) to a participant who successfully completes this educational activity.

UVA Health Continuing Education maintains a record of participation for six (6) years.
