DEPARTMENT OF NEUROLOGY PRESENTS THE 12TH VIRGINIA REGIONAL MOVEMENT DISORDERS SYMPOSIUM

SATURDAY, OCTOBER 25, 2025

LOCATION

UVA Student Health and Wellness
550 Brandon Ave, Charlottesville

COURSE DIRECTORS

Renzo Figari Jordan, MD

KEYNOTE SPEAKER

Indira Subramanian, MD
Director, Southwest PADRECC VA
Director, Movement Disorders Clinic WLA VA
Clinical Professor of Neurology, UCLA

PROGRAM OVERVIEW

The symposium will provide formal didactic review of recent research advances and evidence from clinical trials in movement disorders that are changing practice. Advances in motor and non-motor symptoms have substantial implications for diagnosing and treating Parkinson disease and related disorders of movement and motor control. Case discussions will highlight diagnostic features of movement disorders and practical strategies for treatment. Neurologists, neurosurgeons, neuropsychologists, and movement disorders team members including PAs, NPs, nurses, therapists, residents, fellows, and other trainees are welcome to attend.

LEARNING OUTCOMES

- ◆ Describe and interpret clinical findings of patients with movement disorders through the review of video cases.
- ◆ Outline at least two speech therapy techniques or strategies recommended by speech-language pathologists for managing dysarthria and dysphagia in patients with cerebellar ataxia.
- ◆ Summarize recent advances in the diagnosis and classification of genetic ataxias, including at least two newly identified genetic subtypes or biomarkers.
- ◆ Describe at least three evidence-based integrative medicine approaches used in Parkinson's disease and explain their potential role in symptom management and patient quality of life.
- ◆ Identify at least three key changes in the updated Restless Legs Syndrome (RLS) guidelines and apply them to hypothetical patient scenarios.
- ◆ Differentiate among common neuropsychiatric symptoms in Parkinson's disease, including depression, anxiety, and psychosis, and list at least two current treatment approaches.
- ◆ Compare at least two new DBS platforms or programming strategies and discuss their implications for clinical decision-making.
- ◆ Describe the key components of a multidisciplinary DBS pre-surgical evaluation and list at least three criteria used to determine patient eligibility.

AGENDA

7:00-7:55am	Breakfast (provided) and Exhibits
7:55-8:00	Welcome and Program Overview Renzo Figari Jordan, MD (Moderator)
8:00-8:45	Update on Genetic Ataxias Renzo Figari Jordan, MD
8:45-9:30	SLP in Cerebellar Disorders Renee S Bricker, MS
9:30-9:45	Panel for Ataxias Renzo Figari Jordan, MD, Diane Huss, DPT, NCS, CBFPS Alexander King, NP, Renee S Bricker, MS
9:45-10:05	Refreshment break / Exhibits
10:05-10:35	AI for DBS Programming Philip Lee, MD
10:35-11:05	OFF/ON Evaluation: The UVA Model Diane Huss, DPT, NCS, CBFPS, Alexander King, NP
11:05-11:15	Panel for Surgical Interventions Diane Huss, DPT, NCS, CBFPS Alexander King, NP Philip Lee, MD
11:15-12:15pm	KEYNOTE: "Wellness in Parkinson's Disease" Indira Subramanian, MD
12:15-1:15	Lunch (provided) and Exhibits
1:15-2:00	New Guidelines for RLS Elias G Karroum, MD PhD
2:00-2:45	Neuropsychiatric Problems in PD Helen L Dainton-Howard, MD
2:45-3:00	Panel for Sleep and Non-Motor Symptoms Diane Huss, DPT, NCS, CBFPS Alexander King, NP Elias G Karroum, MD PhD Helen L Dainton-Howard, MD
3:00-4:00	Video Cases Renzo Figari Jordan, MD (Moderator)

ACCREDITATIONS

In support of improving patient care, UVA Health Continuing Education is jointly accredited by the

Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

UVA Health Continuing Education designates this live activity for a maximum of **6.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

UVA Health Continuing Education awards up to **6.25 contact hour(s)** for nurses who participate in this educational activity and complete the post activity evaluation.

UVA Health Continuing Education awards **6.25 hours of participation** (consistent with the designated number of **AMA PRA Category 1 Credit(s)™** or ANCC contact hours) to a participant who successfully completes this educational activity.

UVA Health Continuing Education maintains a record of participation for six (6) years.

CONTACT INFO

Office of Continuing Medical Education
