Panel**

3:25–4:20

Plasma Cell

Laahn Foster, MD

4:20–4:25

Closure & Evaluations

Program Overview

This program will explore research and advances in the diagnosis and management of benign hematologic conditions and hematologic malignancies, including indications for novel therapies. Case-based presentations will highlight recommendations for treatment of common hematologic diagnoses.

At the conclusion of this activity, learners will be able to:

- Identify diagnostic and therapeutic strategies in multiple myeloma
- Examine current and emerging therapies for lymphoma
- Discuss diagnosis and management of hypercoagulable states
- Identify treatment modalities for myelodysplastic syndromes

Target Audience

Community hematologists and oncologists, as well as advanced practice providers, nurses, and pharmacists are welcome to attend.

Accreditation and Designation Statements

In support of improving patient care, UVA Health Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCM), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

This activity was planned by and for the healthcare team, and learners will receive

7.25 Interprofessional Continuing Education

(IPCE) credit for learning and change.

UVA Health Continuing Education designates this live activity for a maximum of **7.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

UVA Health Continuing Education awards up to **7.25 contact hour(s)** for nurses who participate in this educational activity and complete the post activity evaluation.

UVA Health Continuing Education awards **7.25 hours of participation** to a participant who successfully completes this educational activity. UVA Health Continuing Education maintains a record of participation for six (6) years.

UVA Health Continuing Education has been authorized by the Accreditation Council for Pharmacy Education (ACPE) to award ACPE credit for activities planned in accordance with ACPE Criteria. This knowledge-based activity is designated for **7.25 ACPE credit hours**.

** DOB and NABP are required for reporting APCE credit*

Registration and Fees

Registration and payment are available at the [UVA Continuing Medical Education portal](#). Registration will close midnight on **Friday April 3, 2026**. **No walk in registration.**

Syllabus will be available online the week of the conference until 30 days after the program. See cancellation policy prior to registration.
