the Commonwealth.

*APOGEE: Advancing Professional Growth,
Education, & Excellence

February 5-6, 2027

7:30 AM – 4:45 PM

The Omni Hotel,
212 Ridge McIntire Road, Charlottesville, VA

Overview

The 2027 UVA Advanced Practice Conference (APOGEE*) aims to empower Advanced Practice Providers (APPs) by broadening perspectives on both emerging clinical topics and non-clinical roles across the profession including opportunities in research, administration, and education. The conference seeks to strengthen connections across the Commonwealth and foster a unified, forward-thinking APP community through meaningful dialogue and collaboration. By inspiring innovation and leadership, APOGEE 2027 supports the growth of APPs as dynamic contributors to healthcare and beyond.

**the farthest or highest point: culmination*

Target Audience

Advanced practice providers/clinicians across the continuum of care, spanning inpatient, outpatient, and community healthcare settings.

Desired Outcomes

At the conclusion of this activity, learners will be able to:

- Identify opportunities to engage in institutional committees or leadership structures
- Formulate a feasible research or QI question relevant to their clinical practice
- Develop strategies to align APP practice with broader regional or statewide initiatives
- Apply strategies to improve learner engagement and clinical education quality
- Identify gaps in preventative care delivery within their patient population
- Interpret key business metrics relevant to APP practice
- Evaluate models for effective transition coordination as patients with chronic illness transition from pediatric care to adult care

Call for Abstracts

The [2027 UVA Advanced Practice Conference](#) (APOGEE) Planning Committee invites Advanced Practice Providers, interprofessional colleagues, educators, researchers, and healthcare leaders to submit abstracts for consideration at the 2027 APOGEE APP Conference.

Rooted in service, scholarship, and leadership, APOGEE 2027 will convene APPs to explore innovative, equitable, and practical approaches to care delivery across the lifespan. This conference will highlight the critical role of APPs as clinical experts, change agents, and leaders shaping the future of healthcare.

We seek abstracts that reflect **innovation, impact, and applicability to practice**, and that advance the professional development of APPs while improving patient and population health outcomes.

Abstract Submissions:

APOGEE accepts abstract submissions for poster or podium format. Overall, acceptable research submission abstracts meet the following criteria:

1. Address research studies as well as systematic, theoretical, conceptual and methodological projects.
2. Adhere to the scoring rubric for research posters or podium presentations, identified

If your abstract is accepted to the conference, you will be required to:

- [Register](#) for at least the day of the poster and podium presentation
- [Have your poster displayed during the entire conference](#)
- Be physically present during the presentation time (poster or podium)
- Remove your poster after the end of day two
