Prof. Mubarak Al Mansour is currently the Chairman of the Oncology Department and Consultant, Adult Medical Oncology at the Princess Norah Oncology Center, King Abdulaziz Medical City, Ministry of National Guard Health Affairs, Jeddah, KSA. He has held this position since February 2022 and is responsible for managing and monitoring the day-to-day clinical, administrative, and activities of the department. He oversees and provides supervision of the staff members to ensure the effective and efficient functioning of the department.

Prior to his current role, Prof. Al Mansour was the Section Head of Adult Medical Oncology from 2006 until February 2022. He is also a Consultant in Adult Medical Oncology, providing direct patient care including ward rounds, clinics, and on-calls. In this capacity, he prescribes and administers medications, directs chemotherapy treatment plans, and coordinates all planned and concurrent oncology therapy.

In addition to his clinical responsibilities, Prof. Al Mansour has held academic appointments. From 2014 until June 2021, he served as the Associate Dean of Academic & Student Affairs at the College of Medicine-Jeddah, King Saud Bin Abdulaziz University for Health Sciences (KSAU-HS), Saudi Arabia. In this role, he was responsible for managing and monitoring all academic activities and student affairs. He has also been a faculty member, holding the position of Assistant Professor in 2013 and being promoted to Associate Professor in 2018. On September 10, 2023, he was promoted to Professor of Internal Medicine/Adult Medical Oncology at the College of Medicine – Jeddah, KSAU-HS. In his academic capacity, he provides lectures, dedicated teaching sessions, and student practical examinations.

Prof. Al Mansour (co-)authored several peer-reviewed papers mainly concerning hematological malignancies and numerous research publications.
