

EXHIBIT OPPORTUNITY

CE Activity: 2025 Updates in Kidney Transplantation

Date: June 18, 2025

Locations: Live-streamed via Zoom and in person at Hillsdale Conference Center,
Charlottesville, VA

UVA Health Continuing Education, as the accredited provider for this conference, is pleased to inform you of the opportunity to reserve exhibitor space in conjunction with this conference.

This conference will provide dialysis unit staff the information they need regarding advances in kidney transplantation in order to provide a consistent message through the care continuum about the lifesaving benefit of kidney transplantation, connections between patient experience and transplant outcomes, and strategies for overcoming barriers to successful transplantation.

Conference Overview

At the conclusion of this activity, learners will be able to:

1. Discuss how a patient's spirituality may impact their ability to accept a kidney transplant and how the transplant team can address potential barriers.
2. Describe how motivational interviewing can be utilized to help patients achieve their transplant goals.
3. Identify best practice to encourage weight loss for patients who struggle to meet BMI criteria enabling them to be active on the kidney transplant wait list.
4. Describe management of post-transplant diabetes for patients who have undergone kidney transplant.
5. Discuss post-operative complications of kidney transplant and most common reasons for readmission after kidney transplant.
6. Discuss multi-organ transplant, the timing of such surgeries, and which patients benefit from this approach.
7. Review anti-rejection treatment regimens that include monthly Belatacept and which patients are best suited to this immunosuppressive medication.
8. Describe the process of evaluating a patient for kidney transplant and how critical this thorough testing is to outcomes after transplant.
9. Discuss delayed graft function and its impact on a kidney transplant recipient, their family, and dialysis unit staff.

Expected audience:

100 nurses, social workers, and registered dietitians.

Accrediting body:

This program has been accredited by UVA Health Continuing Education for 6 ASWB ACE credits, 6 Contact Hours, 6 Hours of Participation, and 6 IPCE Credits. The program has also been approved for 6 hours of CEPTC credit.

Organization Description:

UVA Health Continuing Education as a Joint Accreditation Provider adheres to the ACCME ***Standards for Integrity and Independence in Accredited Continuing Education***, released in December 2020, as well as Commonwealth of Virginia statutes, University of Virginia policies and procedures, and associated federal and private regulations and guidelines. As the accredited provider for this CE/IPCE activity, we are responsible for ensuring that healthcare professionals have access to professional development activities that are based on best practices and scientific integrity that ultimately supports the care of patients and the public.
