

July 29, 2025

Greetings, past and future MAGOS exhibitors!

You are invited to exhibit at the **Mid-Atlantic Gynecologic Oncology Society Annual Conference** on **Friday-Saturday, November 7-8, 2025**, to be held live at the **Hyatt Regency Lexington, at 401 West High Street, Lexington, Kentucky**. We hope you can join us this year – our attendees really appreciate the opportunity to learn about the latest developments.

The program targets an enriched population of gynecologic oncologists and trainees, and we expect about 125 attendees. The ACCME-accredited symposium provides formal didactic review of recent research advances and evidence from clinical trials that are changing the diagnosis and treatment of gynecologic cancers.

Bronze exhibit: \$3,500

Silver exhibit: \$6,500

Gold Exhibit: \$9,500

All exhibitors will be acknowledged in our print and AV participant materials and will receive a table, chairs and attendance for up to two reps, and will be included in the meal counts.

All attendees and vendors will be welcomed at the cocktail reception on Friday evening.

Silver and Gold will be given their choice of table, with Gold receiving priority.

Gold will additionally be listed as the underwriter of the meal of their choice on a first-come basis. The cost of the Gold Exhibit includes the cost of the meal sponsorship, and you may select which meal or snack break your firm wishes to sponsor.

Exhibit opportunities are available on a first-come, first-served basis. To secure your company's place, please visit our event page [HERE](#) and click on the <Industry> tab, where you will be able to view the W-9 and exhibit agreement and register. Based on your selection, you will receive additional details regarding payment and mailing instructions. If your company has its own LOA, please forward to our director, **Melodye Farrar** <NEZ5AG@uvahealth.org> for review and signature. Contact UVACE@uvahealth.org if you have any questions about the event or need further documentation, and please let us know if you plan to attend!

Best regards,
