## Industry Prospectus

### An Invitation from our Conference Co-Chairs

We personally invite you to participate in the 17th Annual T-Cell Lymphoma Forum. Recognized as the premier gathering of experts in T-Cell Lymphoma and related fields and acclaimed internationally. This two-and-a-half-day meeting will spotlight the most current developments in novel agents and treatment strategies for T-Cell Lymphoma. The Forum offers a unique opportunity to engage with cutting-edge science and connect with colleagues in TCL research. By addressing the persistent challenges faced by oncologists, the program aims to advance patient outcomes and deepen understanding of this complex disease and improve patient treatment and outcomes. This year's comprehensive scientific agenda will feature timely and impactful topics, including: Pathology and Molecular Pathogenesis, New Therapeutic Interventions, CTCL and Deep Dive, The Role of Adoptive Cellular and Immunotherapies for PTCL, Global Perspectives and Disparities in T-Cell Lymphoma, and a Fellows' Forum: Challenging Cases in Need of Expert Opinion. The full scientific program is coming soon at [www.TCellLymphForum.com](http://www.TCellLymphForum.com).

We look forward to connecting with you and your colleagues this year in La Jolla, California, and to learning more about advances that your company is making to better the treatment and care of patients with T-Cell Lymphoma.

Sincerely,  
Francine Foss, Won Seog Kim, and Owen A. O'Connor
