

## EXHIBIT OPPORTUNITY

**CME ACTIVITY:** 2026 International Conference on Spreading Depolarization iCSD

**DATE:** September 18-22, 2026

**LOCATION:** Pinn Hall Conference Center, University of Virginia

On behalf of the University of Virginia, we are pleased to invite you to the **27th International Conference on Spreading Depolarization (iCSD2026)** in Charlottesville, Virginia. The University is conveniently located just 16 minutes from Charlottesville Airport (CHO), five miles from historic Monticello, and two and a half hours from Washington, D.C.

### Course Overview:

iCSD is a multidisciplinary annual meeting focused on the study of mechanisms and treatment of Spreading Depolarization (SD). SD is a massive near-death wave of brain activity, very different from seizure that is involved in many common neurologic disorders ranging from headache to tumor to severe stroke and brain injury.

The conference is a unique mix of disciplines ranging from various preclinical researchers to translational and clinical researchers. Among clinicians, neurosurgeons, neurologists, neuro-intensivists, anesthesiologists, and other fields are all represented. The program will feature keynote addresses as well as abstract presentations discussing the latest research findings related to SD. The goal is to create a collaborative, cross-disciplinary discussion, so there will be ample time for questions, discussion, and panel perspectives.

### Program Overview:

By the end of the conference, participants should be able to:

- Describe the potential role of spreading depolarizations (SD) across a wide range of neurologic conditions.
- Evaluate conditions where SD directed therapies are being tested and may become standard
- Identify opportunities to collaborate with SD data analysis through efforts such as foundations

**Expected Audience:** 80 MD physicians, fellows, residents, and researchers

### Accrediting body:

This program is accredited by UVA Health Continuing Education to offer **14 AMA PRA Category 1 Credits™**

**Organization Description:** UVA Health Continuing Education as a Joint Accreditation Provider adhere to the *ACCME Standards for Integrity and Independence in Accredited Continuing Education*, as well as Commonwealth of Virginia statutes, University of Virginia policies and procedures, and associated federal and private regulations and guidelines. As the accredited provider for this CE/IPCE activity, we are responsible for ensuring that healthcare professionals have access to professional development activities that are based on best practices and scientific integrity that ultimately supports the care of patients and the public.

### Exhibit Opportunities:

We invite organizations to support the conference by exhibiting on site. The exhibit hall will be located in a designated area separate from the educational sessions. Space is limited, and tables cannot be held—registration through [CloudCME](#) is required to secure placement.

Each exhibit includes:

- One (1) 6' table
- Two (2) full conference registrations (includes access to educational sessions)
- Access to meals and breaks with faculty and learners

**Exhibit Locations:** First-floor foyer, Meeting Room 1, or Ground-floor G1/G2 of Pinn Hall Conference Center.

### Exhibit Levels

Platinum – \$10,000 (Max 4)

- Exhibit table with 2 chairs
- Platinum-level recognition in program materials
- Prime location in the main lobby where breakfast and lunch are served
- Large logo at the top of the conference T-shirt (opt in/out)

Gold – \$5,000 (Max 8)

- Exhibit table with 2 chairs
- Gold-level recognition in program materials
- Prime location adjacent to breakfast and lunch service areas
- Preferred proximity to beverage stations
- Medium logo on T-shirt (middle back, under Platinum) (opt in/out)

Silver – \$3,000 (Max 8)

- Exhibit table with 2 chairs
- Silver-level recognition in program materials
- Ground-floor placement near snack service
- Company name listed on T-shirt under Gold level (opt in/out)

### Additional Sponsorship Opportunities

Sponsored Breakfast – \$3,000 (Max 3)

Refreshment Break Sponsor – \$1,500 (Max 5)

- Includes podium recognition, table signage during the meal, and placement in the rotating slide loop.

### Non-CME Satellite Symposium (\$8,000 lunch – Max 2)

We offer organizations the opportunity to host satellite symposia in conjunction with the conference. The University of Virginia is strongly committed to ensuring the best possible chance of success for all such events and offers the following fee and service options:

- Approval to hold the event in conjunction with the 27th International Conference on Spreading Depolarization (iCSD2026)
- Approval to hold the event at the conference venue (based on space availability)
- Breakfast and/or lunch – food will be ordered by UVA

The above fees do not include:

- Creation of marketing materials such as brochures/invitations, signage, etc.
- Speaker and all associated fees (travel, honorarium, etc.)
- UVA Health does not guarantee attendance during this event

---

## Registration & Payment

Register online: <https://uva.cloudcme.com/iCSD2026>

**Each exhibitor must register via CloudCME using the link above under the “Industry” tab in order to reserve a table.**

### Payment Methods:

- Credit card (preferred)
- Check/ACH—additional instructions provided in the confirmation email.

Please reference the educational activity name (iCSD) on all payments.

---

## Lodging

Conference rates available at **The Graduate Hotel** or the **Courtyard Marriott Charlottesville**.  
Use the booking link provided on the registration site.

### [Graduate Hotel:](#)

**Group Rate:** \$234 plus taxes

**Reservation Deadline:** August 7, 2026

Rates and availability cannot be guaranteed after this date.

### [Courtyard Marriott Charlottesville.](#)

**Group Rate:** \$179 plus taxes

**Reservation Deadline:** August 7, 2026

Rates and availability cannot be guaranteed after this date.

Thank you for your consideration. Please contact me with any questions as you evaluate your support for this important conference.
