THE UNIVERSITY OF VIRGINIA CANCER CENTER IS PLEASED TO PRESENT

Interdisciplinary Urologic Oncology Update: A Case Based Update

November 14, 2024

BOARS HEAD RESORT CHARLOTTESVILLE, VA

PROVIDED BY THE UNIVERSITY OF VIRGINIA SCHOOL OF MEDICINE AND SCHOOL OF NURSING

PROGRAM OVERVIEW

- This conference will contain multiple simulated cases to reenforce learning points in an optimized format for busy community oncologists.
- The cases presented in this conference are those most frequently encountered by community providers, thus it is critical that these providers follow best practices.

TARGETED AUDIENCE

- Physicians
- Physician Assistants
- Nurse Practitioners
- Registered Nurses
- Pharmacists

DESIRED OUTCOMES

The field of Oncology continues to develop and change both clinically and scientifically. The UVA Cancer Center is dedicated to educating health care providers involved in treating patients with a cancer diagnosis.

At the completion of the 2024 UVA Cancer Center "Interdisciplinary Urologic Oncology: A Case Based Update," the participant should be able to explain and apply:

- Data from the literature confirms lack of update of best management practices, examples of which include:
 - 1) The lack of routine use of androgen deprivation therapy intensification which has strong level 1 evidence.
 - 2) In urothelial cancer there is a striking lack of therapeutic intervention offered in the practice community to patients with bladder cancer in the elderly.
 - 3) The frequent overtreatment of good risk nonseminomatous germ cell tumors secondary to a lack of understanding of the use of risk stratification.
 - 4) Lack of experience with the enfortumab vedotdin/pembrolizumab regimen leads to increased toxicity and decreased drug exposure in many patients with advanced urothelial cancer.
- Present state of the art data in GU cancers in the context of interdisciplinary discussions with urologists/radiation and medical oncologists. The data will be presented in the context of a mixture of didactic and case-based discussions, highlighting decision making based upon level 1 evidence.
- This activity mirrors both the GU interdisciplinary program's clinical and educational mission.
- Urologic neoplasms, prostate, bladder (urothelial), kidney, testicular and penile cancers frequently require interdisciplinary management (urology/ radiation and medical oncology), which is very challenging in community practice environments. Adoption of best management practices typically lags behind.

PROGRAM AGENDA

THURSDAY, NOVEMBER 14, 2024

7:00 – 8:00 am	Production (Proal/fact (provided)
1.00 - 0.00 am	Registration/Breakfast (provided)
8:05 – 8:05 am	Introduction/Greetings/Announcements – Drs. Dreicer and Greene
8:05 – 8:35 am	Medical Management of Advanced Upper Tract Urothelial Cancer – Dr. Skelton
8:35 – 9:45 am	Urothelial Cancer Case Based Discussions – Drs. Devitt, Ibilibor, Krupski, Lumanias, Skelton, Viscuse and Wu
9:45 - 10:00 am	Break with Exhibitors
10:00 – 10:25 am	Cytoreductive Nephrectomy: Current Status – Dr. May
10:25 – 11:45 am	Renal Cancer Case Based Discussions – Drs. Culp, Luminais, May, Skelton and Viscuse
11:45 - 12:30 pm	Lunch (provided) and visit with Exhibitors
12:30 - 1:30 pm	GU Cancer Cases (Germ cell, penile) – Drs. Devitt, Greene, Heidar, Luminais, Skelton and Viscuse
1:30 - 1:55 pm	Unfavorable Variant Prostate Cancer: Current Status – Dr. Viscuse
1:55 - 3:30 pm	Prostate Cancer Case Based Discussions – Drs. Devitt, Greene, Heidar, Luminais, Skelton and Viscuse
3:35 pm	Adiourn

REGISTRATION

FREE!

REGISTRATION IS FREE TO ALL and IS REQUIRED at www.cmevillage.com

Registration will close at midnight on November 11, 2024. No walk-In registration accepted.

CONTACT INFORMATION

Please contact **Pamela Lace** in the Office of Continuing Medical Education with any questions regarding this activity. **psl5g@virginia.edu | 434.924.5310**

ACCOMMODATIONS

Rooms have been reserved at the Boar's Head Resort and will be available on a first come, first served basis. Attendees will need to make their own reservations with the group name, UVA Urologic Oncology Update. Room selection of King or Two Queens, with complimentary parking. Rates: \$235 until October 14, 2024. Make reservations by calling the hotel directly at (866) 996-7504.

LOCATION

This course will be held at the Boar's Head Resort, located at 200 Ednam Drive, Charlottesville, Virginia 22903.

UVA CANCER CENTER SPEAKERS [*Denotes Planning Committee Members]

Robert Dreicer, MD, MS, MACP, FASCO* – Course Director

Deputy Director, UVA Cancer Center and Director, Solid Tumor Oncology, Departments of Medicine and Urology

Stephen H. Culp, MD

Assistant Professor of Medicine, Hematology/Oncology, Department of Urology

Michael E. Devitt, MD

Assistant Professor of Medicine, Hematology/Oncology, Departments of Medicine and Urology

Kirsten L Greene, MD, MAS, FACS Paul Mellon Professor and Chair of UVA Department of Urology and Associate Chief Medical Officer at UVA Health, Department of Urology Nassib Abou Heidar, MD Assistant Professor of Urology Department of Urology

Jennifer Hofmann, PharmD, BCOP* Clinical Oncology Pharmacist UVA Medical Center

Christine Ibilibor, MD Assistant Professor of Medicine, Hematology/Oncology, Department of Urology

Tracey L Krupski, MD Professor of Medicine, Urologic Oncology, Department of Urology

Christopher Luminais, MD Assistant Professor of Radiation Oncology, Department of Radiation Oncology Allison May, MD Physician-Scientist, Urologic Oncology, Department of Urology

William Paul Skelton, IV, MD Assistant Professor of Medicine, Hematology/Oncology, Departments of Medicine and Urology

Paul Vincent Viscuse, MD Assistant Professor of Medicine, Hematology/Oncology, Departments of Medicine and Urology

Pamela Lace, MA* CME Program Manager

ACCREDITATION AND DESIGNATION STATEMENT

In support of improving patient care, the University of Virginia School of Medicine and School of Nursing is jointly accredited by the Accreditation

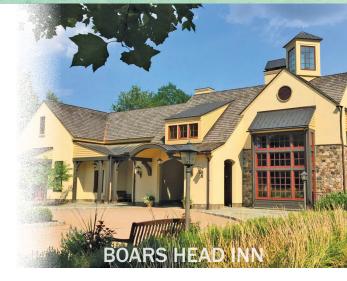

ool of Nursing is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Virginia School of Medicine and School of Nursing designates this live activity for a maximum of

6.5 AMA PRA Category 1 Credits.[™] Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Virginia School of Medicine and School of Nursing awards 6.5 hours of participation (consistent with the designated number of AMA PRA Category 1 Credit(s)[™] or ANCC contact hours) to a participant who successfully completes this educational activity. The University of Virginia

School of Medicine and School of Nursing maintains a record of participation for six (6) years.

Credit will be uploaded to CPE Monitor within 60 days of the end date of the activity. A certificate from our learning portal validates only learner participation. It will be the responsibility of the pharmacist or pharmacy technician to provide the correct information in order to receive credit for participating in this CE activity. Please log into your NABP Profile to see your credit recorded and print your official transcript.
