DEPARTMENT OF NEUROLOGY PRESENTS
**THE 11TH VIRGINIA REGIONAL
 MOVEMENT DISORDERS SYMPOSIUM**

SATURDAY, OCTOBER 19, 2024

LOCATION

UVA Student Health Building
 550 Brandon Ave, Charlottesville

COURSE DIRECTORS

Renzo Figari Jordan, MD

KEYNOTE SPEAKER

Alfonso Fasano, MD, PhD, FAAN
 Toronto Western Hospital,
 Krembil Brain Institute
 University of Toronto

PROGRAM OVERVIEW

The symposium will provide formal didactic review of recent research advances and evidence from clinical trials in movement disorders that are changing practice. Advances in motor and non-motor symptoms have substantial implications for diagnosing and treating Parkinson disease and related disorders of movement and motor control. Case discussions will highlight diagnostic features of movement disorders and practical strategies for treatment. Neurologists, neurosurgeons, neuropsychologists, and movement disorders team members including PAs, NPs, nurses, therapists, residents, fellows, and other trainees are welcome to attend.

DESIRED OUTCOMES

As a result of participation in this program, attendees will be able to:

- ◆ Distinguish signs and symptoms to effectively diagnosis and manage functional movement disorders.
- ◆ Differentiate Normal Pressure Hydrocephalus (NPH) from other gait disorders.
- ◆ Collaborate with multidisciplinary teams to manage Parkinson disease.
- ◆ Select appropriate testing to distinguish among PSP (progressive supranuclear palsy), MSA (multiple system atrophy), and CBD (corticobasal degeneration)
- ◆ Describe and interpret clinical findings of patients with movement disorders through the review of video cases.

AGENDA

7:00-7:55 am	BREAKFAST (provided)/EXHIBITS
7:55-8:00	Introduction and Program Overview <i>Renzo Figari Jordan, MD – UVA</i>
8:00-9:45	I: FUNCTIONAL NEUROLOGICAL DISORDERS
8:00-8:30	Diagnosis and Management of FND <i>Alex Dalrymple, MD – UVA</i>
8:30-9:00	Occupational Therapy for FND <i>Shelley Knewstep-Watkins, OTD, OTR/L – UVA</i>
9:00-9:30	Neuropsychological Treatment <i>Emmi Scott, PhD – Inova Neurology</i>
9:30-9:45	Panel for FND
9:45-10:05	REFRESHMENT BREAK/EXHIBITS
10:00-11:15	II: MANAGEMENT OF PD
10:05-10:35	Autonomic Dysfunction in Parkinson Disease <i>Cameron Miller-Patterson, MD – VCU</i>
10:35-11:05	LSVT BIG vs PwR (Parkinson Wellness Recovery) <i>Lee Baker, PT PWR – Harrisonburg</i>
11:05-11:15	Panel for PD Management
11:15-1:25pm	BREAK
11:25-12:25	KEYNOTE: Normal Pressure Hydrocephalus (NPH) <i>Alfonso Fasano, MD, PhD, FAAN – University of Toronto</i>
12:25-1:25	LUNCH (provided)/EXHIBITS
1:25-2:40	SESSION III: DIAGNOSIS OF PARKINSON DISEASE
1:25-1:55	Differential of PSP, MSA, and CBD <i>Alissa S. Higinbotham, MD – UVA</i>
1:55-2:25	Skin Biopsy for Parkinson Disease <i>Matthew Burton, MD – Marshall University</i>
2:25-2:40	Panel for PD Diagnosis
2:40-2:50	BREAK
2:50-4:00	Video Cases and Program Conclusion <i>Renzo Figari Jordan, MD</i>

ACCREDITATIONS

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, the University of Virginia School of Medicine and School of Nursing is jointly accredited by the Accreditation Council

for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Virginia School of Medicine and School of Nursing designates this live activity for a maximum of **6.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Virginia School of Medicine and School of Nursing awards **6.25 contact hour(s)** for nurses who participate in this educational activity and complete the post activity evaluation.

The University of Virginia School of Medicine and School of Nursing awards **6.25 hours of participation** (consistent with the designated number of **AMA PRA Category 1 Credit(s)™** or ANCC contact hours) to a participant who successfully completes this educational activity. The University of Virginia School of Medicine and School of Nursing maintains a record of participation for six (6) years.

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs.

The University of Virginia School of Medicine and School of Nursing designates this live activity for a maximum of **6.25** continuing education hours.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **6.25** MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit

REGISTER ONLINE AT www.cmevillage.com

Registration allows access to the live conference, livestream, or on-demand content for up to thirty days after the program. Online registration will close at midnight on **October 13, 2024**.

NO WALK-IN REGISTRATION. Course syllabus will be available online the week of the conference until 30 days after the conference.

PLEASE NOTE: Policies on cancellation, payment methods and accommodation requests can be found on our website under FAQs.

Questions? Please contact uvacme@virginia.edu or 434-924-5310.

	Before 9/15/24	On Or After 9/16/24
Physicians:	\$80	\$100
NPs/PAs:	\$60	\$80
Other HCPs	\$40	\$60
Trainees (w/documentation)	FREE	

LODGING AND PARKING

Please book on your own or contact the program manager (below) for information on room blocks. Free parking is available in the lot below the Student Health building for the duration of the symposium.

SPECIAL GUEST FACULTY

Lee Baker, PT

Parkinson Wellness Recovery, Harrisonburg

Matthew Burton, MD

Assistant Professor of Neurology, Marshall University

Cameron Miller-Patterson, MD

Assistant Professor of Neurology
Parkinson's and Movement Disorders Center, VCU

Emmi Scott, PhD*

Clinical Neuropsychologist, Inova Neurology

UVA FACULTY

(*indicates planning committee)

Renzo Figari Jordan, MD*

Associate Professor of Neurology, Course Director

W. Alex Dalrymple, MD*

Assistant Professor of Neurology video cases, Co-Course Director

Alissa S. Higinbotham, MD

Assistant Professor of Neurology, Associate Neurology Residency Program Director

Diane Huss, PT, DPT, NCS, CBFPS*

Physical Therapist, UVA Parkinson's Disease and Movement Disorders Clinic

Alex King, MSN BSN NP-C*

UVA Parkinson's Disease and Movement Disorders Clinic

Shelley Knewstep-Watkins, OTD, OTR/L

UVA Occupational Therapy

Elizabeth Patterson, MEd*

School of Medicine, Office of CME
