- Wrapping Things Up! Debriefing, Responding to Feedback, and Preparing for Next Time

Desired Outcomes

Upon completion of this learning activity, participants should be able to:

1. Adhere to the legal, regulatory, school, hospital, and unit requirements for enacting the role of the clinical nurse educator in congruence with established NLN nurse educator competencies.
2. Apply clinical teaching strategies that are grounded in educational theory and evidence-based teaching practices.
3. Describe strategies to promote safe and equitable learning experiences for prelicensure students.
4. Implement a structured process for both formal and informal evaluation of student performance and competency achievement.
5. Demonstrate skilled communication with staff, students, and academic colleagues as a clinical instructor.
6. Incorporate simulation activities to maximize and support student learning.
7. Use resources effectively when student progress does not match expectations.

Gretchen Wiersma, DNP, RN, CNE, CHSE, Associate Professor of Nursing*

Linda L. Hanson, MSM, SONCE Program Coordinator

Disclosure of Financial Relationships

UVA Health Continuing Education as a Joint Accreditation Provider adheres to the ***ACCME Standards for Integrity and Independence in Accredited Continuing Education***, as well as Commonwealth of Virginia statutes, University of Virginia policies and procedures, and associated federal and private regulations and guidelines.

All individuals involved in the development and delivery of content for an accredited CE activity are required to disclose relevant financial relationships with ineligible companies occurring within the past 24 months (such as grants or research support, employee, consultant, stock holder, member of speakers bureau, etc.). UVA Health Continuing Education employs appropriate mechanisms to resolve potential conflicts of interest and ensure the educational design reflects content validity, scientific rigor and balance for participants. Questions about specific strategies can be directed to UVA Health Continuing Education at uvacme@uvahealth.org.

Disclosure of discussion of non-FDA approved uses for pharmaceutical products and/or medical devices

As a Joint Accreditation provider, UVA Health Continuing Education requires that all faculty presenters identify and disclose any off-label or experimental uses for pharmaceutical and medical device products. It is recommended that each clinician fully review all the available data on new products or procedures prior to clinical use.

Disclaimer Information: CE activities accredited by UVA Health Continuing Education are offered solely for educational purposes and do not constitute any form of certification of competency. Learners should always consult additional sources of information and exercise their best professional judgment before making clinical decisions of any kind. Learners are not authorized to copy, modify, reproduce, re-publish, sub-license, sell, upload, broadcast, post, transmit or distribute any of the course materials.

Disclosures

Given the non-clinical nature of this course, financial disclosures are not required of the speakers or planning committee members. The content presented excludes discussion related to the products and services of a commercial interest, and therefore lacks the opportunity for commercial bias to be introduced.

Accreditation & Designation Statements

In support of improving patient care, UVA Health Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

UVA Health Continuing Education awards **12.0** contact hours to a nurse who participates in this educational activity and completes the post activity evaluation.

UVA Health Continuing Education awards **12.0** hours of participation (consistent with the designated number of ANCC contact hours) to a participant who successfully completes this educational activity.

UVA Health Continuing Education maintains a record of participation for six (6) years.

Requirements for Successful Completion of the Course

Workshop participants requesting credit are required to complete the post-activity evaluation.

How to claim your CE credit

- Navigate to CloudCME:
 - Through the internet: www.cmevillage.com or
 - Through the CloudCME App (download if you haven't already), then enter the organization code: UVA
- Sign In
 - UVA Employees (if you use a virginia.edu email address): sign-in with your UVA Computing ID.
 - Non-Employees or UVA Employees who do not use a virginia.edu email address: sign-in with your email and password.
- Select My CE
- Select Evaluations & Certificates (on the website) or Evaluations (in the app)
- Select this course, **Clinical Instructor Workshop**
- Complete the evaluation and claim credit for the extent of your participation.

Please Note: The post activity evaluation will only be available for a 30-day period (**until September 20, 2025**). Please complete the online modules prior to this time. Credit will not be issued after the evaluation period has closed.
